PROFESSIONAL SUMMARY

GHL & automation specialist and agency owner with a strong development and creative background behind me. Co-founder of two US-based (Ohio) automation ventures — Pamoja Technologies and Roma Technologies — building AI receptionist systems, GHL automations, and WordPress + GHL hybrid platforms for local businesses. Also founder of Vibro Digital, a full-service agency I built and scaled, still active today under a partner. Comfortable owning a project end-to-end: strategy, outreach, design, build, and delivery.

CORE EXPERTISE

- GoHighLevel (GHL): AI receptionist/chatbot setup, automated booking & follow-up, CRM pipelines, review automation, native GHL website builds
- Automation: n8n, Make.com — workflow building, expanding into advanced use cases
- Web Development: WordPress, WordPress + GHL hybrid builds
- Creative & Design: Brand identity, web design, UI/UX (background, not primary focus)
- Marketing: Google Ads, TikTok Ads, LinkedIn outreach, Meta Ads
- Management: Agency ownership, client outreach, team management, project delivery

EXPERIENCE

Co-Founder — Pamoja Technologies & Roma Technologies

Ohio, USA | Last 8 months

Co-founded both ventures and personally lead all design, development, and automation (partner is investor-side). Built an all-in-one AI sales & marketing platform for local businesses, combining GHL automation with an AI receptionist that answers and books jobs 24/7.

- Projects: Iventora.com (co-founder), Masterkut (barber.pamoja.tech), Pamoja Technologies (native GHL build)
- Demo/pitch sites built with AI agents pre-meeting: HVAC, Real Estate, Divine Home Care, Moving, Photography

Founder — Vibro Digital

vibrodigital.com | 2023 – Present

Built and scaled a full-service agency (design, WordPress, marketing, AI, eCommerce) from the ground up; still running today under a partner while I lead delivery.

- Clients: Mukamel (KSA), SIT / sitsolutions.com.sa (KSA), Marcolinia (UAE), Tutorlyhub, Evertise (USA), and other big companies and brands, nationally and internationally

Freelancer — Graphic Design, WordPress, UI/UX

2021 – 2023

Independent freelance work across design, WordPress development, and UI/UX before formalizing into an agency.

EDUCATION

Intermediate — Cantt College, Lahore
